Company Profile

Overview

Impact Plus Contractors is a one-stop service provider to the construction industry. We are:

- firm
- unwavering
- resolute and
- solid in foundation, appearance and delivery

Over recent years, the construction and property industries have changed dramatically. The influence of political, economic, social changes and advancements in technology require a major shift from investors, consultants and contractors alike, in order to meet the growing needs of globalisation and our people. We have responded to these needs.

At Impact Plus Contractors we have built a strong and capable internal team of professionals and tradesmen, whilst building an external network of associates who have remarkable track records. We also offer great personal service!
